1. The player may select any four-digit numbers with series between the range from 0000 to 9999 and series 00-99 / ABCDEGHJKL (e.g. 10 A 0146). The player may select as many four digit numbers with series of his choice out of the scheme or the same four digit number multiple times by paying the appropriate amount as per the number of selections.
2. For first prize – 1 number of four digits with series shall be drawn; the player who matches his selected four digits with series with the number drawn (in the same order) will be eligible for the first prize. If there is more than one winner, the prize amount will be divided equally among all the winners. However, the minimum prize to each winner will be Rs.10,000/-.
3. For second prize – 20 numbers of four digits with series shall be drawn; the player who matches his selected four digits with series with the number drawn (in the same order) will be eligible for second prize. In case there is more than one winner, in any number, the prize amount will be divided equally among all the winners of such particular number with series.
4. For third prize – 1 number of four digits shall be drawn (e.g. 2002) which will be applicable to all series. If the number selected by the player matches with the number drawn (in same order) shall win the third prize, regardless of the series. However, in case of series, if more than one player having the ticket/s of same series (e.g. 19D) and the drawn number (i.e. 2002), the prize amount for this series and number combination (i.e. 19D 2002) shall be divided equally among all such winners.

For example - The drawn number is 2002 and two players having ticket of this number with same series i.e. 19D then the prize amount of such particular series + number (19D 2002) shall be divided equally among all the winners.

5. For fourth prize– 10 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the fourth prize.
6. For fifth prize – 60 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the fifth prize.
7. For sixth prize– 120 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the sixth prize.
8. For seventh prize – 600 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the sixth prize.

Play & Draw Instructions:

1. The player may select any four-digit numbers with series between the range from 0000 to 9999 and series 00-99 / ABCDEGHJKL (e.g. 10 A 0146). The player may select as many four digit numbers with series of his choice out of the scheme or the same four digit number multiple times by paying the appropriate amount as per the number of selections.
2. For first prize – 1 number of four digits with series shall be drawn; the player who matches his selected four digits with series with the number drawn (in the same order) will be eligible for the first prize. If there is more than one winner, the prize amount will be divided equally among all the winners. However, the minimum prize to each winner will be Rs.10,000/-.
3. For second prize – 20 numbers of four digits with series shall be drawn; the player who matches his selected four digits with series with the number drawn (in the same order) will be eligible for second prize. In case there is more than one winner, in any number, the prize amount will be divided equally among all the winners of such particular number with series.
4. For third prize – 1 number of four digits shall be drawn (e.g. 2002) which will be applicable to all series. If the number selected by the player matches with the number drawn (in same order) shall win the third prize, regardless of the series. However, in case of series, if more than one player having the ticket/s of same series (e.g. 19D) and the drawn number (i.e. 2002), the prize

amount for this series and number combination (i.e. 19D 2002) shall be divided equally among all such winners.

For example - The drawn number is 2002 and two players having ticket of this number with same series i.e. 19D then the prize amount of such particular series + number (19D 2002) shall be divided equally among all the winners.

5. For fourth prize— 10 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the fourth prize.
6. For fifth prize – 60 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the fifth prize.
7. For sixth prize— 120 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the sixth prize.
8. For seventh prize – 600 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the sixth prize.

Play & Draw Instructions:

1. The player may select any four-digit numbers with series between the range from 0000 to 9999 and series 00-99 / ABCDEGHJKL (e.g. 10 A 0146). The player may select as many four digit numbers with series of his choice out of the scheme or the same four digit number multiple times by paying the appropriate amount as per the number of selections.
2. For first prize – 1 number of four digits with series shall be drawn; the player who matches his selected four digits with series with the number drawn (in the same order) will be eligible for the first prize. If there is more than one winner, the prize amount will be divided equally among all the winners. However, the minimum prize to each winner will be Rs.10,000/-.
3. For second prize – 20 numbers of four digits with series shall be drawn; the player who matches his selected four digits with series with the number drawn (in the same order) will be eligible for second prize. In case there is more than one winner, in any number, the prize amount will be divided equally among all the winners of such particular number with series.
4. For third prize – 1 number of four digits shall be drawn (e.g. 2002) which will be applicable to all series. If the number selected by the player matches with the number drawn (in same order) shall win the third prize, regardless of the series. However, in case of series, if more than one player having the ticket/s of same series (e.g. 19D) and the drawn number (i.e. 2002), the prize amount for this series and number combination (i.e. 19D 2002) shall be divided equally among all such winners.

For example - The drawn number is 2002 and two players having ticket of this number with same series i.e. 19D then the prize amount of such particular series + number (19D 2002) shall be divided equally among all the winners.

5. For fourth prize– 10 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the fourth prize.
6. For fifth prize – 60 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the fifth prize.
7. For sixth prize– 120 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the sixth prize.
8. For seventh prize – 600 numbers of four digits without series shall be drawn; the player who matches his selected four digits with the numbers drawn (in the same order) will be eligible for the sixth prize.
